Zoran Potparic, M. D., P. A. curriculum vitae

Zoran Potparic, M.D., P.A.
1116 E. Broward Blvd.
Ft. Lauderdale, Fl. 33301
(954) 779-2777, Fax: (954) 779-2177

www.drzoran.com

NATIONALITY:

Yugoslavian

BIRTHPLACE:

Pljevlja, Montenegro

DATE OF BIRTH:

November 7th, 1951

MARITAL STATUS:

Married

QUALIFICATIONS:

M.D. 1976

Board Certified, Plastic Surgery (Yugoslavia)

1984

USMLE 1.2.3

1994

Board Certified, Plastic Surgery (ABPS)

1999

MEDICAL LICENSE: top of page

Commonwealth of Virginia

1995

Louisiana

1997

Florida

1998

PRESENT POSITION:

Private practice

1999

Zoran Potparic, M.D.,P.A.
Ft. Lauderdale, Fl 33304

Zoran Potparic, M. D., P. A. curriculum vitae

TRAINING IN USA:

Resident Division of Plastic Surgery

1995 – 1997

University of Miami/JMH, Miami Fl.

Program Director: S. Thaller, MD, DMD

Resident, Department of Plastic Surgery

1994 – 1995

Eastern Virginia Medical School

Norfolk, VA

Program Director: J.H. Carraway, M.D.

Fellow, Microsurgery/Research

1992 – 1994

Department of Plastic Surgery

Eastern Virginia Medical School

Norfolk, VA

Program Director: J.H. Carraway, M.D.

Fellow, Craniofacial/Research

1991

Institute for Craniofacial and Reconstructive Surgery

Southfield, MI

Director: I.T. Jackson, M.D.

Fellow, Clinical/Research

1986

Department of Plastic Surgery

Eastern Virginia Medical School

Norfolk, VA

Program Director: C.E. Horton, M.D.

TRAINING IN EUROPE:

British Council Fellow Oxford Craniofacial Unit. The Radcliff Infirmary,

Oxford, U.K. Program Director: M.H. Poole, M.D.

03/1990 – 06/1990

Resident, Department for Burns and Plastic Surgery

08/1984 – 10/1984

Military Medical Academy

Beograd, Yugoslavia

Program Director: v. Arneri, M.D.

Resident, Department for Plastic Surgery and Burns

02/1984 – 07/1984

University Clinical Center

Ljubljana, Yugoslavia

Program Director: M. Godina, M.D.

Zoran Potparic, M. D., P. A. curriculum vitae

Resident, Clinica Plasticay Estetica Dr. Planas

Barcelona, Spain
Director: J. Planas, M.D.

Resident, Department of Plastic and Reconstructive Surgery

07/1982 – 01/1984
University Medical Center
Sarajevo, Yugoslavia

Program Director: B. Starovic, M.D.

Resident, Department of Surgery

05/1980 – 06/1982
University Medical Center
Sarajevo, Yugoslavia
Program Director: M. Prcic, M.D.

INTERNSHIP:

Medicine/ Surgery

10/1976 – 09/1977
University Medical Center
Sarajevo, Yugoslavia

APPOINTMENTS HELD IN YUGOSLAVIA:

Assistant Professor of Plastic and Reconstructive Surgery

1987 – 1991
University of Sarajevo Medical School
Sarajevo, Yugoslavia

Chief-Section of Reconstructive Microsurgery Department of Plastic and Reconstructive Surgery

1988 – 1991
University Medical Center
Sarajevo, Yugoslavia

Attending Surgeon, Department of Plastic and Reconstructive Surgery

1984 - 1991
University Medical Center
Sarajevo, Yugoslavia

Zoran Potparic, M. D., P. A. curriculum vitae

Medical Consultant

04/1977 – 04/1980
LEK-Pharmaceutic Industry
Ljubljana, Slovenia

Medical Officer

01/2978 – 12/1978
Military Medical Academy
Belgrade, Yugoslavia

Assistant Professor

10/1976 – 03/1977
Institute of Anatomy
University of Sarajevo
Medical School

SPECIALITY CERTIFICATION:

Yugoslavian Board of Plastic and Reconstructive Surgery
1984

American Board of Plastic Surgery
1999

EMPLOYMENT:

Private practice

08/1999 – Present
Zoran Potparic, M.D., P.A.
Ft. Lauderdale, FL 33304
Associate Professor
08/1997 – 07/1999

Department of Surgery
Louisiana State University Medical Center
Shreveport, LA

Resident

07/1995 – 06/1997

Department of Plastic Surgery

University of Miami/Jackson Memorial Hospital
Miami, FL
Fellow, Resident
01/1992 – 06/1995

Department of Plastic Surgery

Zoran Potparic, M. D., P. A. curriculum vitae

Eastern Virginia Medical School
Norfolk, VA

Fellow-Research Associate

02/1991 – 12/1991
Institute for Craniofacial Surgery
Providence Hospital
Southfield, MI

Resident, Attending Surgeon, Assistant Professor.

Department of Plastic and Reconstructive Surgery
05/1980 – 01/1991
University Medical Center
Sarajevo, Bosnia

Medical Consultant

04/1977 – 04/1980
"Lek" Pharmaceutical Industry
Ljubljana, Slovenia

Assistant Professor

10/1976 – 03/1977
Institute of Anatomy
University of Sarajevo Medical School
Sarajevo, Bosnia

TEACHING EXPERIENCE:

Associate Professor of Surgery

1997 – 1999
Division of Plastic Surgery
Louisiana State University Shreveport, Louisiana

Assistant Professor of Plastic Surgery

1987 - 1991
University of Sarajevo Medical School

Assistant Professor of Anatomy

1976 – 1977
University of Sarajevo Medical School

Instructor, Institute of Anatomy

1972 – 1976
University of Sarajevo Medical School

MEMBERSHIPS OF LEARNED SOCIETIES:

Zoran Potparic, M. D., P. A. curriculum vitae

Plastic Surgery Research Council

1994

D. Ralph Millard Plastic Surgery Society

1996

REVIEWER:

European Journal of Plastic Surgery, 9/1992; 10/1991; 7/1992; 11/1993; 10/1995

PRESENTATIONS:

Reconstructive possibilities for the amputated thumb, Norfolk, VA, 1986

Heel reconstruction with local and free flaps, Norfolk, VA, June 1986

Acute free flaps: Marko Godina Memorial Lecture, Toronto General Hospital, Division of Plastic Surgery, Toronto, August 1986

Reconstruction of breast asymmetries, 11th Congress of Surgical Association of Yugoslavia, Sarajevo, September 1988

Reconstruction of the breast after mastectomy, 11th Congress of Surgical Association of Yugoslavia, Sarajevo, September 1988

Secondary (prefabricated) island flap, 6th Congress of Plastic and Maxillofacial Surgeons Association of Yugoslavia, Portoroz, October 1988

Reconstruction of extensive tissue defects of the foot with free flaps; 6th Congress of Plastic and Maxillofacial Surgeons Association of Yugoslavia, Portoroz, Yugoslavia, October 1988

Microvascular reconstruction of extensive soft tissue defects of the foot, Visiting Professor Lecture, Oxford Craniofacial Unit, Oxford, UK, May 1990

Reconstruction of the extensive defects after breast ablation and irradiation, Oxford Craniofacial Unit, Oxford, UK, May 1990

Some possibilities in thumb reconstruction, Oxford Craniofacial Unit, Oxford, UK, May 1990

Microvascular reconstruction of the skull and the upper third of the face, 15th International Congress of Maxillofacial Surgery, Beograd, Yugoslavia, June 1990

Some possibilities in thumb reconstruction, Institute for Craniofacial and Reconstructive Surgery, Southfield, MI, March 1991

Zoran Potparic, M. D., P. A. curriculum vitae

PRESENTATIONS:

Fourteen cases review of free flap reconstruction of the upper face and skull, 31st Annual Meeting of Midwestern Association of Plastic Surgeons, St. Louis, MO, May 1991

Early definitive microvascular reconstruction of the extremities: Marko Godina Memorial

Lecture. Providence Hospital, Southfield, MI, 1991

Surgical management of front orbital tumors, Operation Smile Craniofacial Symposium, Norfolk, VA, June 1992

Hemangioma, vascular and lymphovenous malformations: classification and treatment, Operation Smile Craniofacial Symposium, Norfolk, VA, June 1992

Midface advancement by gradual distraction, ASMS/PSEF International Society of Craniofacial Surgery, International Symposium on Craniofacial Surgery, Chicago, IL, October 1992. (Presented by Rachmiel A.)

Orbital neurofibromatosis: Classification and treatment. Fourth Annual Meeting of the North American Skull Base Society, Scottsdale, AZ, February 1993. (Presented by Jackson IT)

Medial lower leg vascular perforators: a comparison of cadaver studies and Duplex ultrasonography. Southeastern Society of Plastic and Reconstructive Surgeons, Hilton Head, SC, June 1993 (Presented by Miller JR)

Hemangiomas, vascular and lymphovenous malformations of the head and neck, Operation Smile Craniofacial Workshop, June 1993

Nerve entrapment syndromes of the upper extremity, Gent Family Practice Group, Norfolk, VA. August 1993.

Medial lower leg vascular perforators: a comparison of cadaver studies and duplex ultrasonography. ASPRS/PSEF/ASMS Annual Scientific Meeting. New Orleans, LA, September 1993. (Presented by Miller JR)

Vascularized tendon reconstruction of upper and lower extremities. American Society for Reconstructive Microsurgery Ninth Annual Meeting, Kansas City, September 1993 (Presented by Colen LB)

Gastrocnemius flap: rejuvenated. American Society for Reconstructive Microsurgery Ninth Annual Meeting, Kansas City, September 1993

Zoran Potparic, M. D., P. A. curriculum vitae

PRESENTATIONS:

Galeo-pericranial Flaps: Applications and Limits. Plastic Surgery of the Eyelids, Orbits and Face: Reconstructive and Aesthetic, 4th Annual Symposium, Williamsburg, VA, November 1993

Galeo-pericranial flaps in the forehead: a study of blood supply, American Association for Plastic Surgeons 73rd Annual Meeting, St. Louis, MO, May 1-4, 1994

Galeo-pericranial flaps in the forehead: a study of blood supply. 39th Annual Meeting of Plastic Surgery Research Council, Ann Arbor, MI, June 4-7, 1994, poster

Galeo-pericranial flaps in the forehead: a study of vascular supply. ASPRA/PSEF/ASMS 63rd Annual Scientific Meeting, San Diego, CA, September, 24-28, 1994, poster.

Peritoneal/posterior sheat free tissue transfer for chronic wounds of the lower extremity. Northeastern Society of Plastic Surgeons, Quebec City, Quebec, October 1994, (presented by J. Miller)

Application of the peritoneal free flap in extremity reconstruction. American Society for Reconstructive Microsurgery, Marco Island, Florida, January 1995.

A ten years experience with foot reconstruction in diabetes mellitus. American Association for Plastic Surgeons 74th Annual Meeting, San Diego, CA May 1995. (Presented by L. Colen)

Galeo-pericranial flaps in the forehead: a study of blood supply and volumes, Sacramento Skull Base Symposium, Sacramento, CAS, June 25-30, 1995

Galeo-pericranial flaps: A study of blood supply and volume. PSEF/AAO-HNSF Conjoint Symposium on Contemporary Head and Neck Reconstruction, Chicago, July 1995 (accepted but not presented)

An experimental study of craniofacial distraction and intracranial dead space. 6th Congress of the International Society of craniofacial Surgery, Bologna, Italy, 1995 (Presented by K. Fukuta)

The peroneal artery skin flap donor site: A comparison of cadaver, Doppler and Duplex ultrasound data. 11th Annual Meeting of American Society for Reconstructive Microsurgery. Tucson, AZ, January 1996.

The management of vascular and microvascular complications of combined lower extremity revascularization and free tissue transfer. 11th Annual Meeting of

Zoran Potparic, M. D., P. A. curriculum vitae

PRESENTATIONS:

American Society for Reconstructive Microsurgery. Tucson, AZ, January 1996.
(Presented by L.B. Colen, M.D.)

The use of perforator based flaps in the reconstruction of the distal leg. Libe Salvage and Reconstruction Symposium, Seattle, WA, May, 1996.

The use of perforator based flaps in the reconstruction of the distal leg: An anatomical and clinical study. 65th Annual Scientific Meeting of ASPRA/PSEF/ASMS, Dallas, TX, November, 1996.

Use of Duplex Ultrasonography for preoperative evaluation of flap donor sites. 15th Winter Meeting of Florida Society of Plastic Surgery, Boca Raton, FL, December 1996.

The experience with over 100 free tissue transfers for the reconstruction of the diabetic foot. 12th Annual Meeting of American Society for Reconstructive Microsurgery, Boca Raton, Florida, January 1997. (Presented by L. B. Colen)

Clinical applications of synovial flaps in hand surgery. American Society of Hand Surgery Annual Meeting, Boca Raton, FL, January 1997 (Presented by L. B. Colen)

Cosmetic facial surgery. Women Forever. LSUMC, Shreveport, LA, November 1997

Leg reconstruction with local perforator based flaps. Florida Plastic Surgery Society Winter Meeting, Florida Keys, December 1999

Hemangioma and vascular malformations: classification and treatment, Holy Cross Hospital Tumor Conference, Ft. Lauderdale, FL, March 2001

Reconstruction of severe craniofacial injuries, Cadician Society Meeting, Ft. Lauderdale, FL. October 1999.

About the face: current trends in cosmetic facial surgery. Dinner with Doctor, Holy Cross Hospital, Ft. Lauderdale, FL., October 2000

Hemangioma and vascular malformations: classification and treatment, Holy Cross Hospital Tumor Conference, Ft. Lauderdale, FL. March 2001

Reconstruction of severe craniofacial injuries, Cadissian Society meeting, Ft. Lauderdale, FL, October 1999

Use of perforator based flaps in leg Reconstruction; Florida Plastic Surgery Society Annual Winter Meeting, December 2000

Zoran Potparic, M. D., P. A. curriculum vitae

RESEARCH/GRANTS:

Fresh chicken leg: a model for microvascular training. University of Sarajevo Medical School. Sarajevo, 1980.

Secondary (prefabricated) island flap for urethral reconstruction, Eastern Virginia School of Medicine, Norfolk, Va. 1986.

Gradual expansion of the skull and facial skeleton, Institute for Craniofacial Surgery, Southfield, MI. 1991.

Midface advancement by gradual distraction in sheep model, Institute for Craniofacial Surgery, Southfield, MI, 1991-1992

Extradural dead space formation and behavior in adult rabbit model, Institute for Craniofacial Surgery, Southfield, MI, 1991.

Influence of topical injection of corticosteroids on skin flap survival and edema. Norfolk, VA, 1992 (\$2500)

Vascular study of galea-frontalis myofascial flap, Norfolk Va, 1992-1994

Gastrocnemius muscle free flap, Norfolk, Va, 1992-1993

Adipofascial flaps in the lower leg, Norfolk, Va, 1992-1994

Medial lower leg vascular perforators: a comparison of cadaver and Duplex Ultrasonography data, Norfolk, Va, 1993-1994

Microvascular anastomoses in experimental diabetes mellitus, Norfolk, 1992-1993

Tarsal tunnel: an anatomical study. Norfolk, VA, 1993-1994

Lower leg septocutaneous perforators: a ca

Flexor tendon sheath flap, Norfolk, VA, 1993

Compressive neuropathy in diabetic rat model, Norfolk, VA, 1994

The effect of early radical vs. staged conservative debridement on flap survival, Norfolk VA, 1993

The role of Duplex imaging in preoperative planning of flaps derived from the fibular artery donor site, Norfolk VA, 1993-1994

Zoran Potparic, M. D., P. A. curriculum vitae

RESEARCH/GRANTS:

Endoscopic approach to the sural and the saphenous nerve harvest, Norfolk, VA, 1993-1994

Galeo-pericranial flaps in the forehead; a study of blood supply, and volumes. Norfolk, VA, 1993-1994.

Functional assessment of diabetic neuropathy in rats. EVMS Grant #3908 Norfolk, VA, 1994. (\$1800.00)

The use of perforator based flaps in the lower leg reconstruction: An anatomical and clinical study. Norfolk, VA and Miami, FL, 1993-1996

Use of Duplex ultrasonography for preoperative planning of flaps: a clinical study. Norfolk, VA and Miami, FL. 1992-1996

Evaluation of nipple sensibility after breast reduction. Miami, FL. 1996
